Hi

I hope you are all keeping well. I'm certain that like me you are being bombarded by Covid emails.

We will stay in touch through a weekly newsletter keeping you up to date with all things Scouting.

Please forward the Newsletters to your Scout, alternatively you can add your Scout's details into the Member section of OSM and click on receive email. Your Scout will receive communication from us which will be in a Newsletter format once a week from next week until we are able to resume normal activity, after this time you may wish to switch off 'receives emails' or leave it on to keep your Scout directly informed of our activities, Event invitations can only be accepted by an adult login.

Future Newsletters will be directed more to the Scouts with details of activities, tasks and upbeat Scout news.

All Scouting activities are suspended until we receive the all clear from the Scout Association who are adhering to Government Guidelines. It is unlikely there will be any meetings or activities for the larger part of the summer term. All events up to the end of May are cancelled or postponed including Group Camp, St. George's Day activities and the District AGM. The District Gang show is currently rescheduled for October. The planning and organisation of our 50th Anniversary events are all on hold until further notice.

Summer Term Subs

We have postponed the summer term subs payment date to June and halved the cost. If nearer this time it is obvious we will not be resuming activities the subs will be removed altogether, should we be able to resume we will increase our sessions on the lake and extend into August as much as leader availability allows, heaven knows we will all need it.
