Scouting from Home Vol. 11

Hi Andrew

Newsletter 05/06/20

How are you getting on with your necker pass clips?

We have had a good response so far, although we would still like a few more to make it a success.

Why not take the clip somewhere that you have enjoyed walking to. Don't forget, if you live in the same house as another member you can pass the necker on in one clip and do something together.

If you managed to take a short video for your [Necker Pass Challenge](#) please can you ask your adult to send it in.

Today is the 5th June, which is always World Environment Day.

The theme for World Environment Day 2020 is, 'Time for Nature,' with a focus on its role in providing the essential infrastructure that supports life on Earth and human development.

This will also be the theme of this week's newsletter.

See you soon.

Badges at Home

Give this badge task a try from home, record your evidence. Let me know how you get on, share it, tag it, show it, send it, and you'll get the badge.

This week's try at home badge is:

WORLD CHALLENGE AWARD BADGE

Requirements can be adapted to suit each young persons abilities and current circumstances:

[Further details and full badge criteria can be found on the Scout website: Creative Challenge Award Badge](#)

Criteria overview as follows:

How to earn your badge:

1, Choose an aspect of local community life and find out as much as you can about it.

You could learn about: Heswall Hall, The Dales, Heswall Churches, Oldfield Farm

2, Spend a day volunteering with and finding out about a service in your local community: we understand you can't volunteer right now, so choose a local charity shop and learn about who they support. Research Heswall Round

Table and what they do. Find out about the lifeboat team in West Kirby. Services could be Charles Thompson Mission, Friends of the Dales, local care homes or Wirral Food Bank.

- What are their challenges?
- Who relies on this service?
- What positive impact could you have on this service in the future?

3, Take part in an activity that reflects upon and explores your own beliefs, attitudes and values (this may or may not include religious beliefs).

What values do we share as Scouts? Which Scout value means the most to you? Write a short blog or record a Vlog that fulfills the above criteria.

4, Take part in an activity that explores common beliefs and attitudes towards gender or disability in different societies.

You could look at this in the context of music, sport and fashion. This month is PRIDE Month, find out more about it and record your evidence.

5, Take an active part in an environmental project. Join the global Earth Tribe community, explore a series of exciting environmental Challenges to earn your recognition badges and become a member of the Earth Tribe!

6, Investigate and try to make contact with Scouts in another country.

Make sure you and your leader read the International Links Guidance here. I have contacts with lots of Scouts overseas, please ask your adult to ask me about this.

7, Take part in an activity that explores an international issue. Take part in the [World Environment Day Quiz](#), let me know how you get on.

Save your evidence, ask your adult to upload to OSM with a brief explanation of how you achieved the tasks against each tick box for that task.

With your adult's permission we can then publish your work on our website and social media.

ONGOING ACTIVITIES

Necker Pass Challenge

How are you getting on with your necker pass clips?

We have had a good response so far, although we would still like a few more to make it a success.

Why not take the clip somewhere that you have enjoyed walking to. Don't forget, if you live in the same house as another member you can pass the necker on in one clip and do something together.

Guidance for this to work:

- Ask your adult to film you and email or WhatsApp the clip to a leader with written consent given to use publicly.
- Use a 4th Heswall tangerine necker.
- The necker must come into shot from your right, and exit to your left, so the necker travels from left to right on the screen.
- We would like you to wear full uniform, fancy dress or scouting related attire such as a hoody.
- Make the clip interesting, inventive, amusing and short.
- Preferably filmed in the daytime.
- Finally, and perhaps most importantly SMILE

Follow this link for inspiration: [TAKE A LOOK](#)

If you haven't got a necker, don't miss out, please ask your adult to contact me.
