Scouting from Home Vol. 4

Hi Andrew

Newsletter 17/04/20

How was your Easter Camp at Home? Did you spend many nights under canvas? Did you manage to survive on nothing but rations of Easter Eggs and hot chocolate? We hope you weren't too sick...

So far we have awarded a few nights away credits, several Writer Activity Badges a Naturalist Activity Badge, we have even awarded two Personal Challenge Award badges which is one of the nine badges that go towards completing the highest award in Scouts, [The Chief Scout's Gold Award](#).

There are lots of interesting and informative videos to watch on YouTube and we understand that some adults may not want Scouts exposed to content that may not be suitable for children. You can now download YouTube Kids which only has content that is certified for family viewing.

<https://youtube.com/kids/>

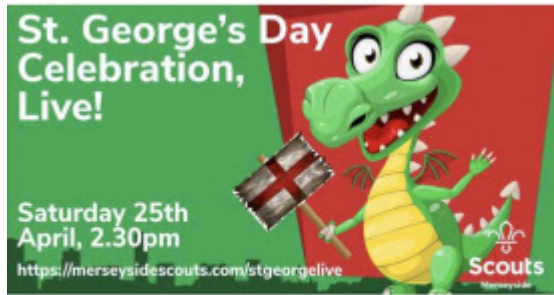

Please forward this newsletter to Andrew and discuss the activities with them if they do not get this email directly.

NEW STUFF THIS WEEK

St. George's Day LIVE

Merseyside County Scouts are inviting all our members (young people and adults) and their families to join in our Youth Shaped Team led St. George's Day Celebration, live!

[CLICK HERE 25th APRIL TO JOIN LIVE](#)

Saturday 25th April 2.30pm

(please join 5-10 mins before the start time).

Full details in OSM Events.

TREE ID

See if you can identify the trees around your house using this handy Woodland Trust guide. This project can be used as part of your Naturalist Activity Badge.

[DOWNLOAD YOUR ID SHEET](#)

Try a NEW badge

Give this badge task a try from home, record your evidence. Let me know how you get on, share it, tag it, show it, send it, and you'll get the badge.

This week's try at home badge:

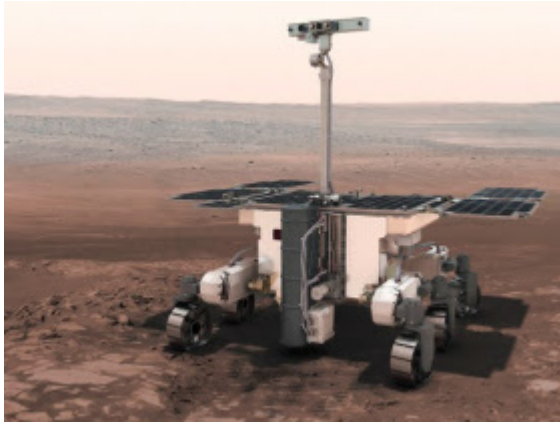

[Astronautics Activity Badge...](#)

There are lots of different types of space missions, many which involve launching a robot into space.

Research all the things as detailed on the Scout website, use your Space Station app as part of your research then upload your pictures and findings to OSM Badges at Home.

Design and Build your own lightweight Mars Lander or have a go at following these downloadable instructions to build a space rover...

[INSTRUCTIONS HERE](#)

Watch Party

Parachutists

As part of your Astronautics Activity badge design and test different types of parachutes for your Mars Lander.

Use eggs for your testing before you go for launch with your best parachute and you Mars Lander.

[WATCH HERE](#)

Scouty Apps

Planets & Constellations

With the recent clear skies this is a great time to discover our solar system. There are some great apps that help you pinpoint the constellations and planets that are visible in our night sky. The app will help you achieve the Astronomer and Astronautics Activity badges.

GOING VIRAL #TheGreat Indoors

See what other Scouts are up to on the internet this week as they take part in the...

[*The Great Indoors*](#)

ONGOING ACTIVITIES

Camp at Home

The 4th Heswall Virtual Group Camping challenge #CampAtHome on Easter weekend was a great success and many of you camped out. Don't forget to send your photos to us and ask your parents to confirm how many Nights Away we should add to your badge record.

50th Badge Competition

How are those badge designs coming along? Take a picture of your design and share online.

Or email to:

scouts@4thheswallseascouts.org.uk

CRE8 from Merseyside Scouts

Challenge Week Four is ...

Outdoor and Adventure

It's week four of the CRE8 Challenge and this week we will be focusing on Outdoor and Adventure whilst Scouting At Home!

<https://merseysidescouts.com/blogs/cre8-challenge>

Badges at Home...

We are adding lots of details to help you complete 'Badges at Home' using OSM, look for the house icon next to the badge and click on it to see what you need to do to complete the badge. Many badges can be completed by uploading evidence of your extra curricular activities, such as Musician, Swimmer and Martial Arts.

Further explanation can be found on our website.
